

Draw a snow man

You will need: a pencil

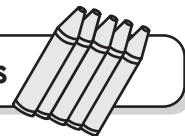

a rubber

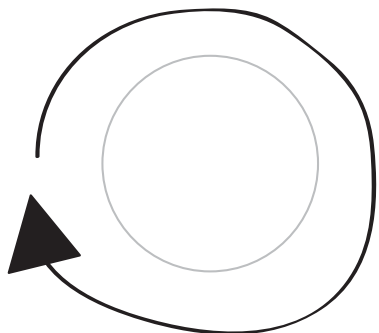

a pen

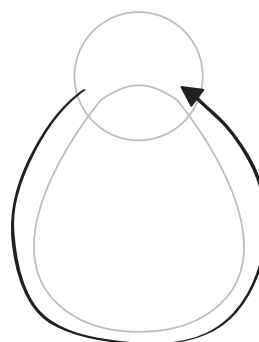

colouring crayons

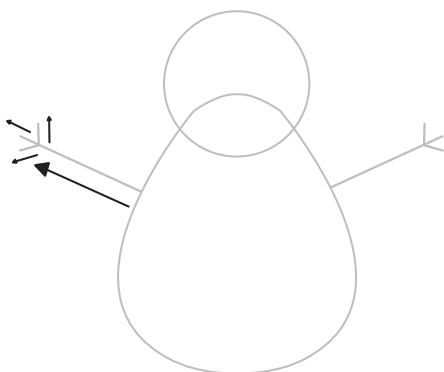

1. Use your pencil to draw a circle for the head

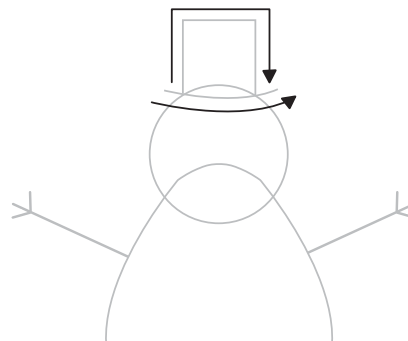

2. Starting from the middle of the circle, draw an egg shape for the snowman's body.

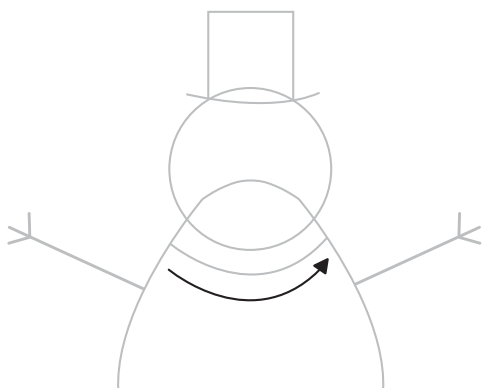

3. Add arms by drawing a line with 3 small lines at the end.

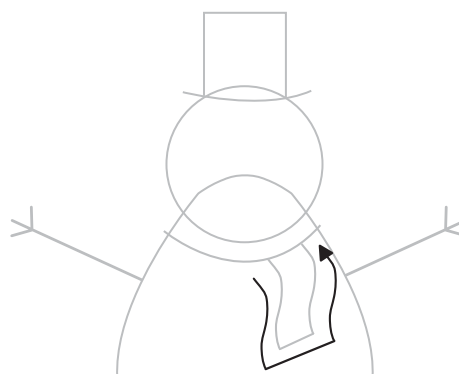

4. For the hat draw a rectangle to the top of the head with a curved line underneath for the brim.

5. To add a scarf, draw a curved line under the head.

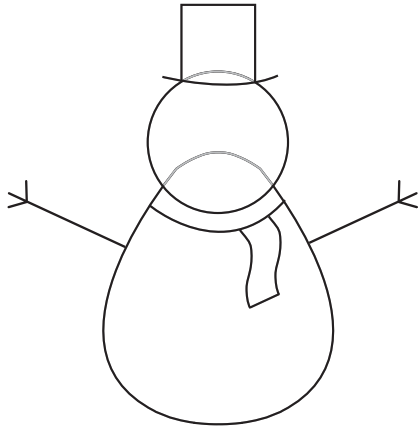

6. Next, draw the rest of the scarf with a couple of wavy lines.

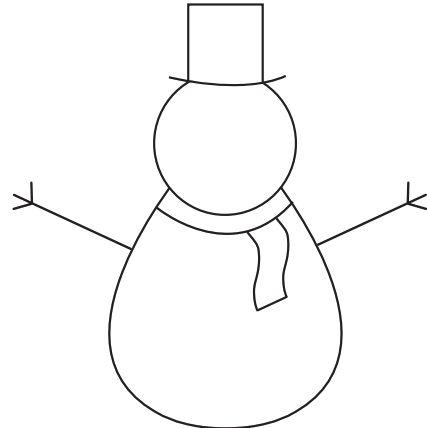

7. Now, use a pen to ink over your rough shapes.

8. Once the ink has dried, rub out the pencil lines.

9. Now you can start to add details to your snowman. Use circles for coal eyes and buttons!

10. Finally, colour in your snowmans scarf and hat!

You could make lots of different snow men! Try using different hats, scarves and body shapes!
