

### Christmas Link Decorations

- Carefully cut around the different coloured strips with some scissors.
- Roll the strip into a loop and stick point A to point B with either glue or tape.

**Tip:** Don't forget that after the first loop is stuck together, each loop must be threaded through the last one before sticking to form a chain.

**Note:** These are activities for you and your child to enjoy together. The safety of your child is very important. Please use caution when using scissors and other materials in your child's presence.
