Rainy Day Activity

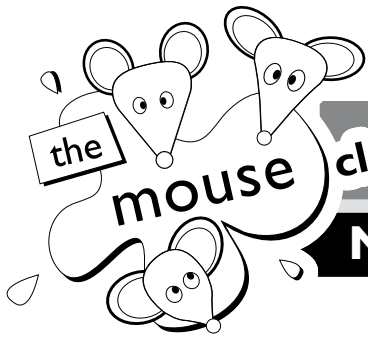

Make Dinosaur Pictures

You will need:

- Paints and paint brush or felt pens
- Sticky shapes or stickers
- Old comics or magazines
- Scissors
- Glue
- Sheets of dinosaurs to colour and cut out

What to do:

- Choose one of the dinosaur pictures.
- Paint the whole of the dinosaur in one colour and leave to dry.
- If you have no paints, use felt pens.
- Once your dinosaur is completely dry you can decorate it using small sticky shapes or stickers if you have any.
- If you have no sticky shapes or stickers, cut out coloured bits from old comics or magazines and glue these on.
- Cut out your dinosaur and stick it up on your bedroom wall or put it in a frame if you have one.
- You could make lots of dinosaurs and your own bedroom frieze if you are allowed to, but check with your parents or the person who looks after you first!
