## Rainy Day Activity

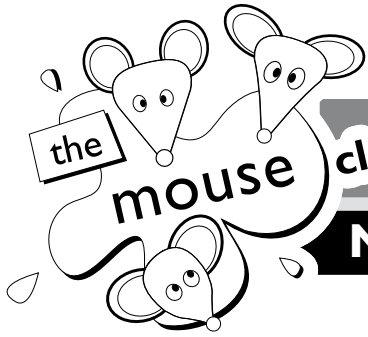

### Make a Table Mat

#### You will need:

- Crayons or felt pens
- Glue
- Card from empty cereal packets
- Sticky backed plastic
- Templates of Mouse Club pictures

#### What to do:

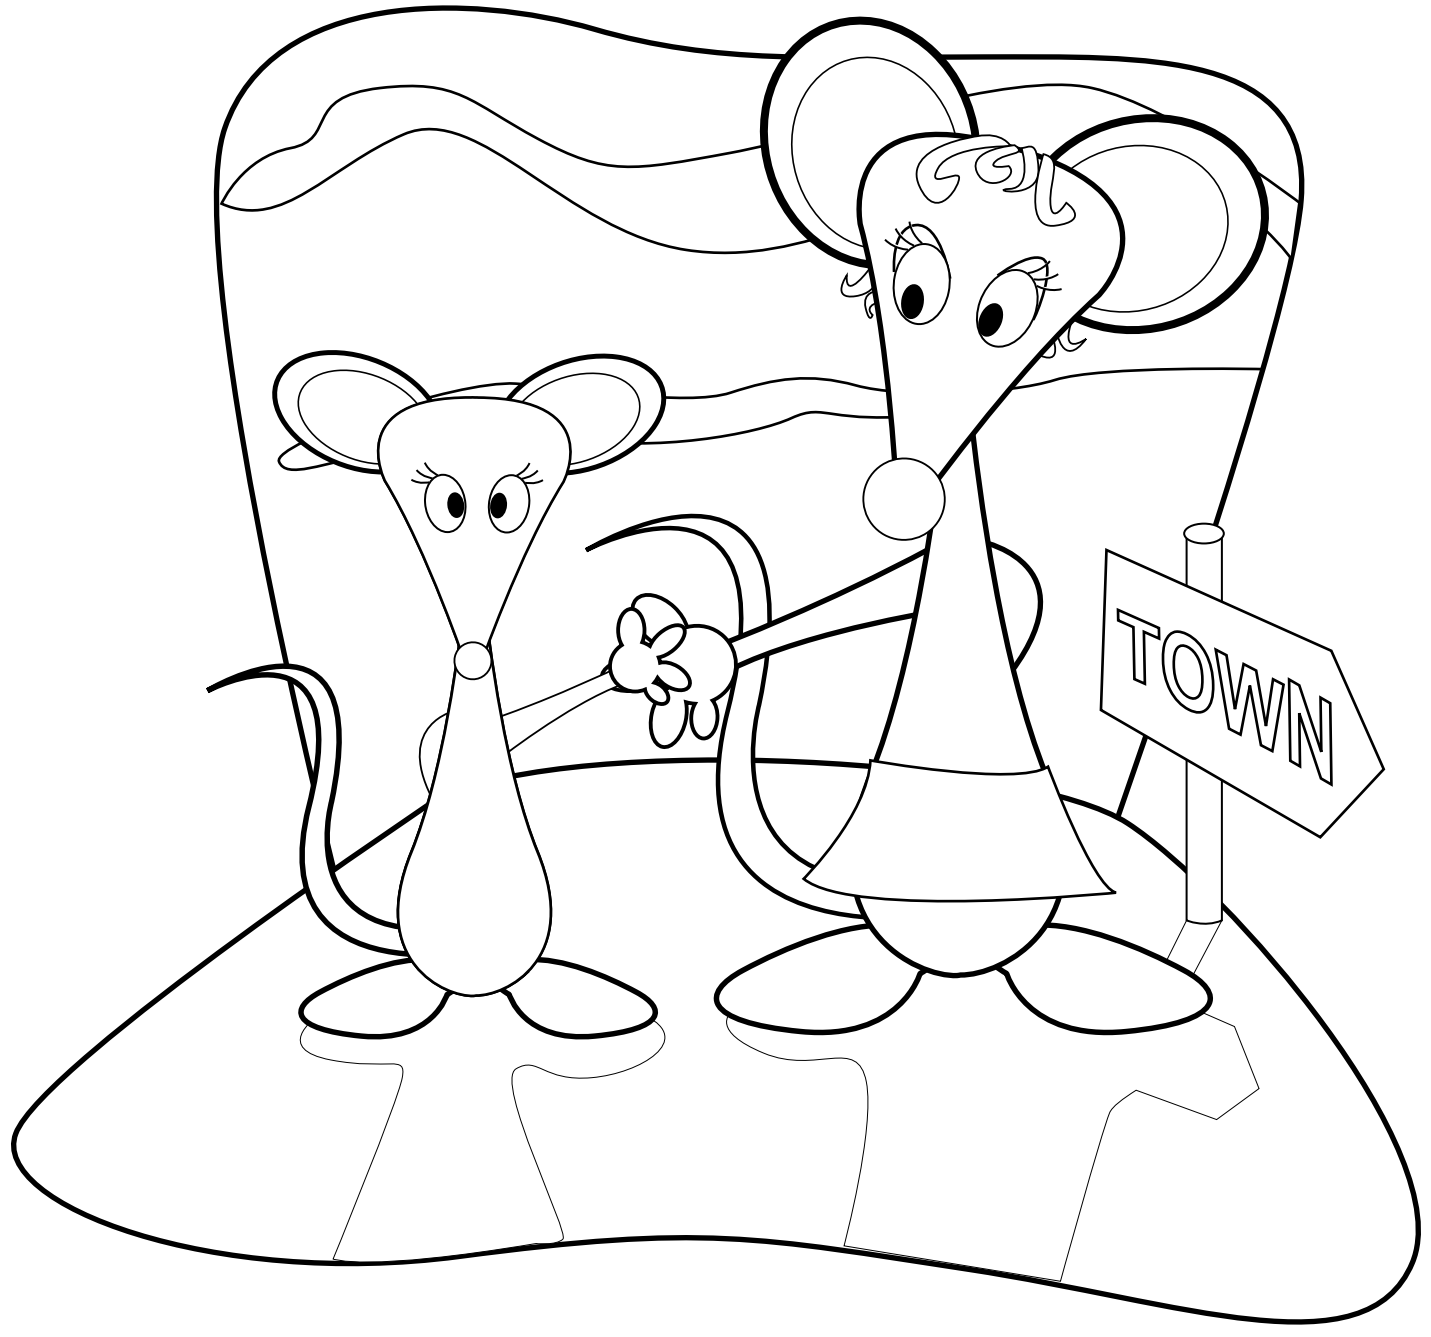

- Look at the selection of Mouse Club pictures.
- Choose your favourite picture and colour it in.
- Try and keep inside the lines and be as neat as you can.
- Once you have finished, glue your picture onto a piece of card, this will form your mat.
- Once the glue has dried, cover your mat with sticky backed plastic so it is nice and easy to wipe clean.
- You could make a mat for your pet cat and dog.
- Try drawing a bright picture of your pet and colour it in.
- You might prefer to design a pattern instead.
- Glue your finished picture or pattern onto card and cover with sticky backed plastic or wide tape.
