Vegetable Pizza

You will need:

1 pizza base (you can buy one in most shops)

Jar of tomato paste

250 g Mozzarella or your favourite hard cheese

Bag of sliced vegetables (including mushrooms and peppers)

Baking tray

Wooden spoon

Oven gloves

What to do:

1. Take the pizza base out of its wrapping and place on the baking tray, and ask a grownup to set the oven to the temperature shown on the instructions on the pizza wrapper.
2. Use the wooden spoon to spread the tomato paste evenly over the base.
3. Remove the vegetables from their packet and arrange on top of the tomato.
4. Ask an adult to help you slice or grate the cheese.
5. Sprinkle the cheese over the top of the vegetables.
6. Pop the pizza into the oven and wait for it to cook.
7. Ask a grownup to carefully remove the pizza from the oven and cut it into slices.
8. Enjoy!
