

DIY Bird Feeder

What you will need:

- 1 Toilet tube roll
- Peanut butter
- Bird seed
- Butterknife

STEP 1

Take the toilet tube roll and cover it carefully with peanut butter, using a butterknife.

STEP 2

Once it is covered, roll the toilet tube roll in bird seed.

STEP 3

Once it is covered in seed, it is ready to slip over a tree branch. Enjoy watching the birds this spring!
