How to make your gift tags

1. Print out the sheet of mouse club gift tags.
2. Cut out each of the gift tags following the dotted lines.
3. Punch out the indicated holes, using a hole punch if possible.
4. Draw string or yarn through the hole of each tag to tie it to the gift.

TIP: To make your gift tags stronger you could print them onto card instead of paper. If you don't have card that you can print on, you can stick the gift tags onto card before cutting them out (i.e. an empty cereal box).

Note: These are activities for you and your child to enjoy together. The safety of your child is obviously very important. Please use caution when using scissors and other materials in your child's presence.
