

Flippin' Fun Flip Flops

Got a pair of old flip flops that still fit but don't look cool any more? Flip flop decorating is all the rage this year, why not get a group of friends together, spread a big rug outside and have a flip flop decorating party in the lovely sunny weather - or indoors if it rains as usual! Here's some great ideas to get you started - the possibilities are endless and they make great presents, mums will love the pink fluffy ones!!

Get this trendy nautical look with red, white, blue and black ribbon. Draw some polka dots on the soles.

Collect buttons from some old clothes to stick on. They look really cute and very fashionable.

Grrrr... wrap some fur around the straps and copy this wild leopard print onto the sole.

Your Mum or Gran will love these feather flip flops.
